

Orlando Advanced Dentists

Patricia Nino de Guzman-Roach, DDS

SPECIALTY: Cosmetic and General Dentistry. **EDUCATION:** Cayetano Heredia Peruvian University School of Dentistry, 1989-1993, DDS. University of Rochester School of Medicine and Dentistry, 2002-2005, DDS. General Practice Residency Program (Chief Resident), Strong Memorial Hospital, University of Rochester, NY, 2005-2007. **GREATEST PROFESSIONAL ACHIEVEMENT:** Having my dream practice where I can specialize in cosmetic dentistry and see patients from all over the world and deliver beautiful smiles. I was also faculty in restorative and cosmetic dentistry and involved in academia and research for almost 10 years where I had the opportunity to teach many dental and medical students. **AWARDS AND HONORS:** Hipolito Unanue Award in Dentistry, 1996. Bibby Fellowship award, 2004, University of Rochester. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** American Academy of Cosmetic Dentistry, Academy of General Dentistry, American Dental Education Association. **INNOVATIONS:** We utilize various ultra conservative techniques to improve the outcomes in cosmetic and restorative dentistry. They include additive veneers and bondings that achieve the highest level of esthetics and function. We offer the KOR teeth whitening system, which is effective even in cases of severe or resistant discoloration from tetracycline or fluorosis. **WHAT SETS US APART:** When I started my formal education, I made a commitment to excellence. Every patient is special to us. They are our friends

AFTER

BEFORE

and family. Our caring and professional dental team strives to provide the best care for our patients, while making their entire experience as pleasant and comfortable as possible in our state of the art practice.
